

Handler: _____

Dog: _____

DHT

TOTAL: Pass / Fail

Exercise 1 - Defense of Handler

PASS / FAIL

Handler will post dog on a designated 10 ft line.

Helper will approach the dog in a defensive manner

Dog should show power/courage _____

Dog should stay vigilant on the helper _____

Helper will "engage" the dog for approximately 15 - 20 seconds _____

Dog should stay in the "fight" for the duration _____

On judges signal, the helper will return to their hiding spot

****If dog will not "engage" with helper or backs down from the pressure, it is an automatic fail.**

****Ideal picture is the dog at the front of the line fighting towards the aggressor.**

****A tight line should be visible, and constant vigilance by the dog to "protect" the handler.**

****A dog who displays fear, backing up, darting forward and back or any aggression towards handler, the exercise will be stopped immediately resulting in a failed test.**

Handler: _____

Handler: _____

Dog: _____

DHT 2

TOTAL: Pass / Fail

Exercise 1 - Defense of Handler

PASS / FAIL

Handler will post dog on a designated 10 ft line.

Helper will then approach the dog in a defensive manner

Dog should show power/courage _____

Dog should stay vigilant on the helper _____

Helper will "engage" the dog for approximately 15 - 20 seconds _____

Dog should stay in the "fight" for the duration _____

Dog was not bothered by the muzzle. _____

Dog handled and did not back down by the stick hit. _____

Dog was not distracted by the thrown toy (more than 3 sec), stayed vigilant on the decoy. _____

On judges signal, the helper will return to their hiding spot

****If dog will not "engage" with helper or backs down from the pressure, it is an automatic fail.**

****Ideal picture is the dog at the front of the line fighting towards the aggressor.**

****A tight line should be visible, and constant vigilance by the dog to "protect" the handler.**

****A dog who displays fear, backing up, darting forward and back or any aggression towards handler, the exercise will be stopped immediately resulting in a failed test.**
